Here's what our members have to say:

" Our company has been using the BIO-Avantor National Program since 2006. Our analysis showed over a 46% savings on lab supplies last year with additional savings on freight, fuel surcharges, hazardous material handling fees, as well as earned cash-back rebates that are also part of the program. We couldn't be happier."

— Lynn M. Cilinski,  
Vice President,  
Controller & Treasurer  
at MacroGenics, Inc.

" When we were a small company, it was important to stretch our dollars. Now, as a large company, BIO's Cost Savings Program is an even more important solution for us. We save over \$1 million each year."

— Bill Newell,  
CEO at Sutro Biopharma

" The BIO Business Solutions program offers excellent options that help me attain the goal of sparing cash, which drives us successfully to our other goals... It will save you time and money!"

— Keith Murphy,
