

No Lab? Your Company Can Still Save.

- **Do you order office supplies or ship products?**
- **Are you evaluating your business insurance, HR administration, or health benefits?**
- **Do you share confidential documents with third parties?**

BIO Business Solutions[®] pools the purchasing power of thousands of life science companies to provide cost-savings on a variety of business-critical services.

Save on these services and more through your BIO or state life science association membership.

Who Can Save

- ✓ Life science companies without an in-house lab operation
- ✓ Technology companies
- ✓ Member companies that provide services to biotech companies
- ✓ Companies that partner with CROs for research activities
- ✓ Virtual labs
- ✓ Start-Ups
- ✓ Subsidiary of a company from outside of the US
- ✓ R&D life science companies
